| FEBRUARY | 10 th Feb 4pm 16 th Feb 5pm 17 th Feb 5pm 21 st Feb 6pm | <p>Find A Frog In February Workshops</p> <p>Mary River Catchment Coordinating Committee</p> <p>The MRCCC's annual Citizen Science program – 'Find a Frog in February' – is back again for 2022 for its 6th year! Since commencing in 2017, over 13,400 records have been submitted, thanks to fabulous froggers of the Mary, Burrum and coastal river catchments from the Sunshine Coast to Burrum Heads. This data helps to inform management to protect frogs in the region. To be part of this year's FROG in FEBRUARY search, take photos of frogs you find and/or record calls of frogs whenever you can during February. Send them in to the MRCCC to have them identified. Or join the iNaturalist app and then the Find a Frog in February Project. You can also join us at one of our evening workshops and surveys to enter the fascinating world of frogs and hone your skills:</p> <ul style="list-style-type: none"> - 10th February – Mothar Mountain Hall from 4pm - 16th February – Toogoom from 5pm (location to be confirmed) - 17th February – Conondale from 5pm (address provided upon RSVP) - 21st February – Find a Frog in Feb webinar at 6pm | Sunshine Coast to Burrum Heads | To register, find the data sheets, and for all the information you need to get involved, <u>CLICK HERE</u> or visit MRCCC website. |
